

**PHARMACY
SPANISH**
**Lesson
Objectives:**

- Communicate lack of comprehension.
- Ask questions of the Spanish speaker to clarify the message.
- Make requests that the Spanish speaker repeat what was said, speak more slowly or write something down.

Los Básicos

Section 3, Lesson Number 2: Clarifying Communication

¡Aprendemos!

¡No Comprendo!

One thing you'll find when you begin speaking Spanish with patients is that they may be so excited that you are speaking Spanish with them that they may speak faster! The phrases below will assist you in situations such as these. so learn them well !

ENGLISH
SPANISH
PRONUNCIATION

I speak a little Spanish.	Hablo un poco español.	ah -blow oon po -koh ace-pahn- yole
Do you speak English?	¿ Habla usted inglés?	ah -blah oo- staid een- glace
Slower, please.	Más despacio, por favor.	mahs day- spah -see-oh pore fah- bore
Repeat, please.	Repita, por favor.	ray- pee -tah pore fah- boar
Again.	otra vez	oh -trah base
What (did you say) ?	¿Cómo?	koh -mo
How do you say...?	¿Cómo se dice...?	koh -mo say dee -say
Write it down, please.	Escríbalo por favor.	ace- cree -bah-lo pore fah- bore
What is it?	¿Qué es?	kay ace
What does it mean?	¿Qué significa?	kay seeg-knee- fee -kah
I don't understand.	No comprendo.	no coam- prain -doe
I don't know.	No sé.	no say

¡Practicamos!

Now let's practice! Match the correct Spanish expression to each hypothetical situation experienced in a conversation with a Spanish speaker.

- | | |
