

**PHARMACY
SPANISH**
**Lesson
Objectives:**

- Tell a patient when his/her prescription will be ready.
- Communicate problems with refills.
- Request that a patient contact his/her physician and notify him/ her if the pharmacy is doing so.
- Tell a patient if the medication needs to be ordered

Vocabulario de la Farmacia

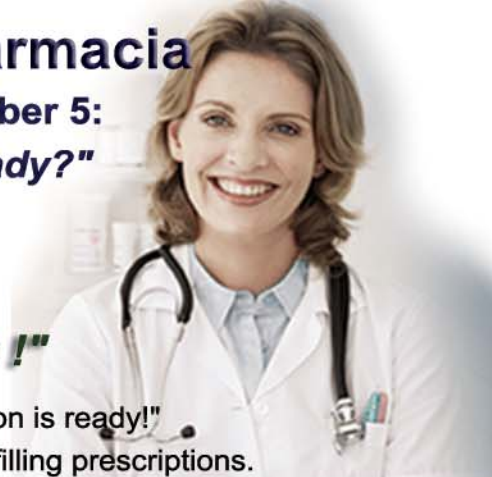

Section 4, Lesson Number 5:

"Is my prescription ready?"

¡Aprendemos !

"¡ La receta está lista !"

Patients eagerly await the words "Your prescription is ready!" Often, however, there are unavoidable delays in filling prescriptions. This lesson will enable you to communicate them to your patients.

The prescription will be ...	La receta va a estar...	la ray-say-tah bah ah ay-star...
...ready___	...lista___	...lee-stah___

¡ Practicamos !

Now let's practice ! It is currently 4:00 p.m. Below are four questions you ask of different patients (A-D). Put them in order from earliest to latest. Your first letter will represent the patient who will be returning the soonest.

- A. ¿Puede usted volver a las cinco? C. ¿Puede usted volver en quince minutos?
B. ¿Puede usted volver mañana ? D. ¿Puede usted volver en veinte minutos?

Answers: C, D, A, B
